2 Corinthians 5:18

Prayer Points

- Pray for plans for upcoming dental clinics at Village in partnership with Medical Teams International, IRCO and other organizations working with vulnerable communities. Pray for details to come together in a timely manner so people with dental needs who are without insurance can receive care.
- Pray for those working on a new Beaverton Resource Center operated by local faith communities to be up and running this month. Our hopes for a partnership will enable us to provide even greater care for those who come seeking help at Village. The plans for the resource center include provision of food and basic supplies, health care, and legal aid.
- Continue to pray for the Youth for Christ staff in Lebanon who are recovering from the Coronavirus. Pray for our missionaries Scot Keranen and David & Carla Castaneda and their family for recovery to go quickly and without complications.

Sharing and Listening Guide

Take a moment to invite the Holy Spirit to minister to you through this time.

- What did you learn about the missionary God's ministry in India through this message and testimony? Take a moment to praise Him together.
- The speaker said and asked: "Not only God in Christ Jesus reconciled us, but He also gave us the ministry of reconciliation (2 Corinthians 5:18). And the process gave us the message of reconciliation. What drove Apostle Paul to effectively carry out this missions? What made him not compromised his responsibility?" How would you answer? Why?
- Where, today, do you see areas of needs for reconciliation in your own life, in our communities, work, city, culture, society, nation and the world? What do you see are the barriers towards reconciliation?
- What is God speaking to you (i.e. discipleship call) through the message and today's LG conversation? How can your LG walk the journey together in the coming weeks?
- What is a one-sentence-prayer that you'd want to pray based on today's time together as you wake up each morning this next week?
