Support Indian Christian Pastors and Ministries

We received word this week that over 40 pastors, pastor's wives, and missionaries in Gujarat have died from COVID infections. Many of these men and women have attended our conferences. Some Christian organizations have lost their

founders and presidents. Our partners of 25 years are asking for our help with medical and funeral costs, groceries for widows and medicines to help people recover. Your donations to Disaster Relief this week will support brothers and sisters in need:

- \$75 provide a one-time gift for a Pastor's widow
- \$15 provides Grocery Kits for Christian widows
- \$200 provides medical care for a Christian worker (20 workers are in need of assistance)
- \$80 provides income for Christian workers who are too sick to work
