

THE MOST ETHNICALLY DIVERSE CHURCH IN THE MOST ETHNICALLY DIVERSE COUNTY

Revelation 7:9-10

9 After this I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the throne and before the Lamb. They were wearing white robes and were holding palm branches in their hands. 10 And they cried out in a loud voice: "Salvation belongs to our God, who sits on the throne, and to the Lamb."

In 1967, Village prayed "For the extension of Thy kingdom, through missionary endeavor and world wide evangelism, for the upbuilding of the immediate community and for the spreading of good will to all men and all races." We dreamed of serving all people and all races both at home and around the world. Now, in the most ethnically diverse county in Oregon, our own community's demographics actually outpace the county as we represent the great multitude of nations, tribes, peoples and languages God has placed in our region. We witness to and see the full image of God as we worship alongside and serve His diverse body.
