

GLOBAL MISSIONS

Village continues its history of support for and leading in global missions. At the largest missions focused conference in the nation, Missions Connexion, 33 Villagers volunteered to educate thousands of attendees. Our missionaries, the majority Villagers who were discipled at Village to go into long term missions, continue to grow the local church, fight human trafficking, and unify divided communities.

32 missionary families using their gifts and passions to reach those who have not yet heard the Gospel. Through these various ministries our workers: tangibly share Christ's love as they transport people by air to critical medical appointments, help coach and consult with national leaders in developing nations, bring healthcare to the marginalized, foster reconciliation for youth from different religious backgrounds, help transform communities through education and music, train and equip national youth for ministry, help bring about restorative justice through anti-trafficking initiatives and prison ministry, serve as a spiritual mentor to our local police officers, provide transformational initiatives for refugees, and so much more!

32 missionary families

4 continents:
Africa, Asia, Europe & North America

12 countries:

Austria(1)	Israel(1)	Lebanon(7)
Canada(2)	Italy(2)	Lesotho(1)
India(2)	Jordan(1)	Taiwan(2)
Indonesia(1)	Korea(2)	USA(10)
