

VILLAGE KIDS MINISTRY PARTNER COVENANT

Believing all children are a gift from God, we welcome children of every culture, race and ability into a fun, positive, and age appropriate learning environment. We honor children with our attention and language, abandoning any preferences and use of shame. We provide safe spaces and relationships maintaining confidentiality of children and the families we serve.

Because we believe families are created by God and designed for parents to be a child's primary authority, we value our relationships with children and their parents. We partner with parents by providing quality spiritual instruction and encouraging relationships. We welcome families of all backgrounds by maintaining a growth mindset and welcoming curiosity of other cultures.

Because we believe children have the spiritual capacity to know, love, serve and worship God, we value preparation to enable us to give the best of ourselves to the children and the work to which God has called us. We pursue multi-generational opportunities to collectively model knowing, loving, worshiping and serving our youngest members.

Because we believe God will hold us accountable for our attitudes and actions towards children, we pursue excellence in our personal character and program implementation with humble submission to God and under the authority of Village Church leadership.

Because we believe spiritual transformation is the work of the Holy Spirit, we acknowledge that nothing of lasting value can be accomplished without Him and rely on his strength, grace, and wisdom to live lives that honor Him in all we do and say. The pursuit of an authentic relationship with Jesus is our top priority.

I will prioritize my commitment to Jesus and my commitment to Village Kids and to minister alongside Village Ministry Partners using my greatest effort and strength.
