

Corporate Prayer of Trust

Leader:

Loving Lord, Your word is a lamp to our feet and a light to our path and today we are living in a time that seems to be very dark and difficult. Lord we are facing a time of sickness, fear and uncertainty that is affecting multitudes of men and women - and so we need You Lord to be that Lamp to our feet and that Light to our path.

Mighty God, we put our trust in You and believe that You are still in control

Leader:

Lord, the state of our world convicts us and causes us to cling to You. The deplorable conditions of our world continue to increase. Bless and heal the world, Father. May Your love comfort every soul as only You can. Bring hope to the hopeless and unity where there is conflict. Motivate us by love to work together, to show compassion, to care for one another and to be the church. Show us our place, Father, and embolden us to obey Your direction. While our world is crumbling, You remain the same loving, defending, and protecting Father.

Father be with each one of Your children today – for our hope is in You alone.... Lord we trust You in all things because You are sovereign and have control of all things.. Lord although we do not understand all that is happening in this dark and dreary world – we KNOW and trust You for You alone are worthy of our trust. Be with each one and rescue us Lord from all that is coming on the earth.
