CONFESSION

GREETING TIME

We miss being and worshipping together. Please take this time to text, call, facetime, skype, beep, send a pigeon to your friends, family, and Villagers during this time. And please enjoy the greetings submitted by our Villagers!

OFFERING

We practice worship through giving. Please continue to partner with us to meet our monthly budgeted needs, to zero out our deficit every quarter and to increase our Cash Reserve Fund. As we grapple with increasing effects of the COVID-19 virus on our Sunday worship service attendance, we humbly ask that you continue to give as

though you attend Sunday worship services. 70% of our congregation currently gives in person in a Sunday service. You are welcome to mail in your offering, drop it off at the locked box outside our Front Office, or utilize [Pushpay](#).

LOVE HOPE MOVEMENT

Our goal is to see a movement of Love throughout the Portland Metro area. We want people to be a beacon of Hope to family, friends, co-workers, church connections, acquaintances, strangers, and even cashiers at the grocery store. Our neighbors need to know that they are heard, they are cared for, and they are loved. Join the Love Hope Movement in spreading God's love throughout your communities. At Village, we will soon have Love Hope stickers and yard signs available in the Front Office. If you are self-isolating, we are more than happy to leave them outside the front office door for you. PRAYER FOR OUR MEDICAL PROVIDERS

O Christ Our Healer,

There is no end to malady, sickness, injury, and disease
in this broken world, so there is no end to the line of hurting
people who daily need their tending. Therefore give them grace, O God, that they might be generous with their kindness, and in this
healing and care taking vocation their hands might become an extension of your hands, and their service a conduit for your mercy.

For it is often not an easy place to be-
So near to suffering, to injury, to pain,
To emergency and fear and confusion,
And sometimes even to dying and death and grief-

But we believe it is exactly the sort of place you would be
O Lord, amongst those who hurt, So let their practice of medicine be centered in an understanding of your heart.

Let them practice medicine because you are a healing God who feels compassion and extends mercy. Let them practice medicine because you are near to those who are in need, to those who face grief and loss. Let them practice medicine as willing servants of your redemption, pushing back- by means of their vocation- the effects of the fall.

Let their presence in that place lend a human face to your compassion.

Let them find also, in the midst of such constant need, a rhythm of service and rest that will enable their own soul to be tended and nourished- that in the time they spend with patients they will have a deeper repository of patience and kindness to share with them.

So give grace, Lord Christ. Give them grace this day and all days, that they might serve you well by loving and serving others in the healing trade, ever laboring in view of that day when your kingdom will be fully realized, at the great mending of the world, at the great ending of all ills. Let them play a small part in that today and for the days ahead.

Amen

ORACIÓN POR LOS PROVEEDORES MÉDICOS

Oh Cristo, Nuestro Sanador,

Las enfermedades y las lesiones no tienen fin en este mundo roto, por lo que no hay fin a la línea de dolor para las personas que diariamente necesitan su cuidado.

Por lo tanto, dales gracia, oh Dios, para que puedan ser generosos con su bondad, y en esta vocación de sanidad y cuidado, sus manos pueden convertirse en una extensión de tus manos, y su servicio en un conducto para tu misericordia.

Porque a menudo no es un lugar fácil para estar tan cerca del sufrimiento, de la lesión, del dolor, de la emergencia, del miedo y la confusión, Y a veces incluso a morir y a la muerte y el dolor ...

Pero creemos que es exactamente el tipo de lugar en el que estarías Oh Señor, entre los que duelen, así que deja que sus prácticas de la medicina se centren en una comprensión de tu corazón.

Déjelos practicar la medicina porque Tu eres un Dios sanador que siente compasión y extiende misericordia. Permíteles que practiquen la medicina porque Tu está cerca de aquellos que lo necesitan, de aquellos que enfrentan dolor y pérdida. Permítales practicar la medicina como servidores dispuestos de Tu redención, haciendo retroceder, por medio de su vocación, los efectos de la caída.

Deja que su presencia en ese lugar preste un rostro humano a tu compasión.

Permíteles encontrar también, en medio de una necesidad tan constante, un ritmo de servicio y descanso que permita que su propia alma sea cuidada y alimentada, que en el tiempo que pasen con los pacientes tengan un depósito más profundo de paciencia y amabilidad para compartir con ellos. Así que da gracia, Señor Cristo.

Concédeles gracia este día y todos los días, para que puedan servirte bien amando y sirviendo a los demás en el trabajo de la sanidad, trabajando siempre en vista de ese día en que Tu reino se realizará plenamente, en la gran reparación del mundo, en el Gran final de todos los males. Permíteles jugar un papel pequeño en eso hoy y en los días venideros.

Amen
