

Village Church  
Summer 2020

# LOVE 360°

LOVE 360° are Village Kids opportunities to care for others in your community.

## Jesus said "Follow Me"

Jesus loved people from different races and places. Love 360° is a reminder for us to love people all around us.

To help children love their neighbors this summer, take advantage of one or more of the LOVE 360° projects.

There is no cost for LOVE 360 projects except for the Connect Kits for which you determine the amount spent.

Projects do have reservation deadlines to give us time to purchase supplies. Reserve your projects at:  
<https://vbcbor.infellowship.com/Forms/440779>

Jesus said we are the salt and the light of the world. As we love others and tell them about the difference Jesus makes in our life we change the world.
