Calling All Village Singers

As we move into the school year, we're looking for more Village voices to join in our weekend services and sing with our worship band. From basses to sopranos, we want to worship with you!

Nervous about singing in front of a group? Please remember that our services are prerecorded with no audience. We can do several takes to get it just right! Now is the perfect time to come and worship together.

A weekly commitment isn't necessary, we're looking for many voices to be able to offer a different sound each week. If you're only able to join us once a month, that's okay! Let's talk and make it work. Rehearsal and recording takes place Wednesday evenings. Interested? [Please email us](#).

AWANA Registration is OPEN until September 1!

Village Church has been honored to offer AWANA for over 40 years and we're excited to offer AWANA again this year. Our Village clubs will look and feel much different than in years past, though our mission remains the same: share the gospel, disciple children, and grow in relationships. Haven't heard of AWANA? Learn more on [our website](#) or [awana.org](#). [Register Now!](#)

New Email Platform

We are excited to be moving our weekly email to a new email provider starting September 1st. We've been working hard to transfer nearly 2000 email addresses from our current system to the new mail provider. If you stop receiving our emails, [please reach out](#) and we'll get you back on the list!

Corona Conversations

One of the many things this pandemic is affecting in families is: parents are spending more time with their children. We have more opportunities to interact with our children and observe them. "Is your kid emotionally intelligent? A psychologist shares the traits to look for—and how to teach them." PushPay Giving

Prayer Points

Please join us in prayer over the following items:

- For our missionaries to be encouraged spiritually, have financial needs met as supporters continue to drop, and for protection of their health.
- Pray for David and Carla Castaneda family as they minister to families and youth during this time of disaster recovery and COVID concerns in Lebanon. Pray for their children to have a successful start to the school year and for David and Carla to have wisdom in caring for their family, young people in YFC ministries and those they encounter in their daily life.
- Pray that Village will be a light to our community as people live out their faith in action and words with their neighbors, co-workers, and relatives. Ask God to make Himself known through our church so that He would receive the worship He deserves.

Discussion Questions

Take time after the service or during the week to think on these questions:

- What would change in you if you fought your battles with only the mind of Christ?
- Describe what it is like to know God was faithful in the past and why it might be difficult to trust him in the present.
- If you have experienced peace in the past, what does it feel like? Can you describe it?
- In what areas do you need the Lord to guard your heart and mind?
- What are things you can do to bridge divides in your church?
