

KidCheck Set up on the Web

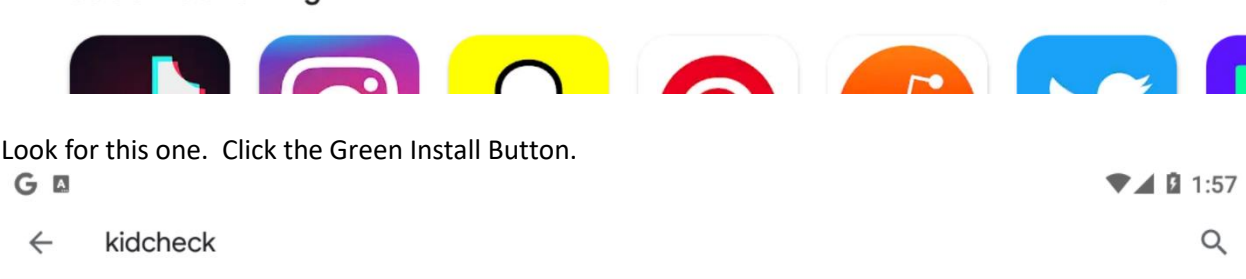

Go to the Google Play Store Icon on your phone.

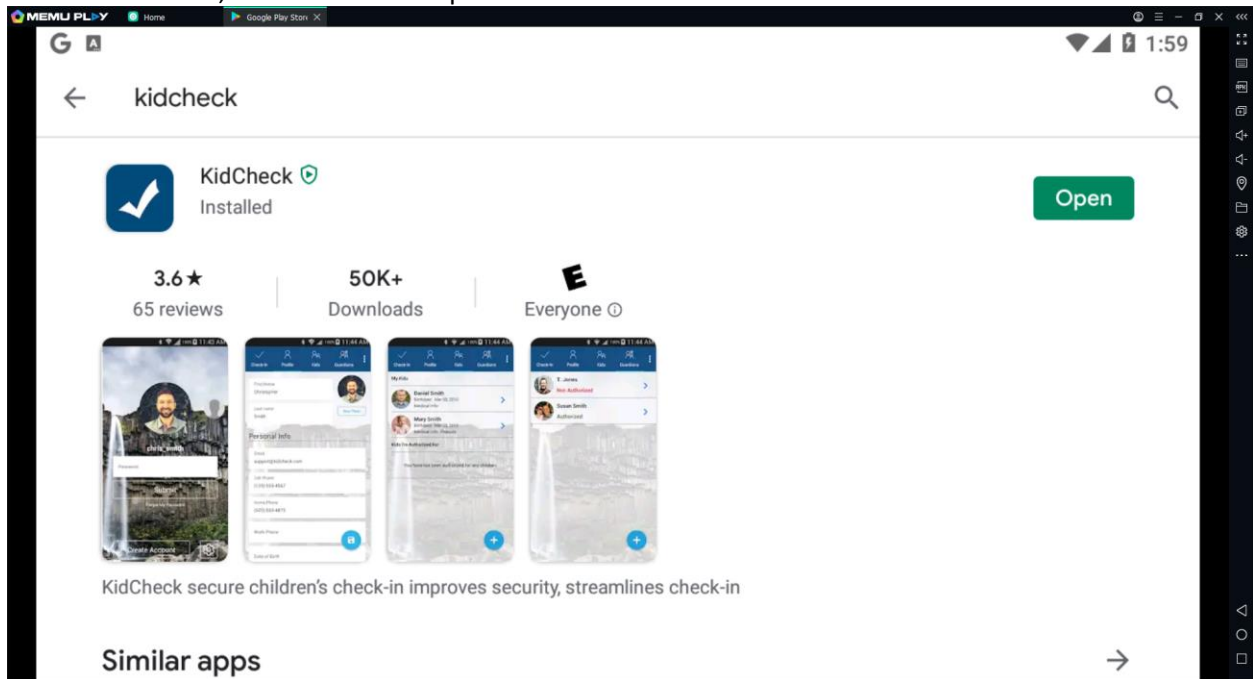

Type "Kidcheck" in the search bar.

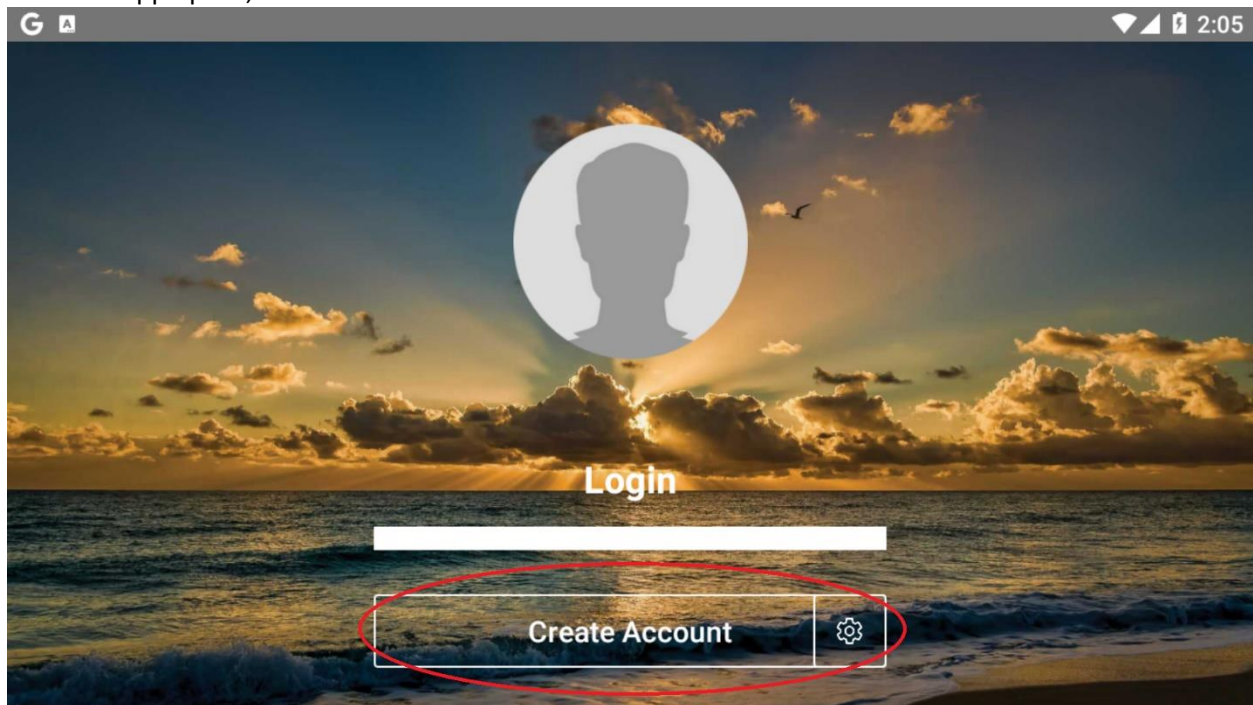

Look for this one. Click the Green Install Button.

Once it's installed, click the Green "Open" button

Once the app opens, click "Create Account"

Fill out the information. The phone number is the most important piece, as that is used to locate the account.

Where will you use KidCheck?

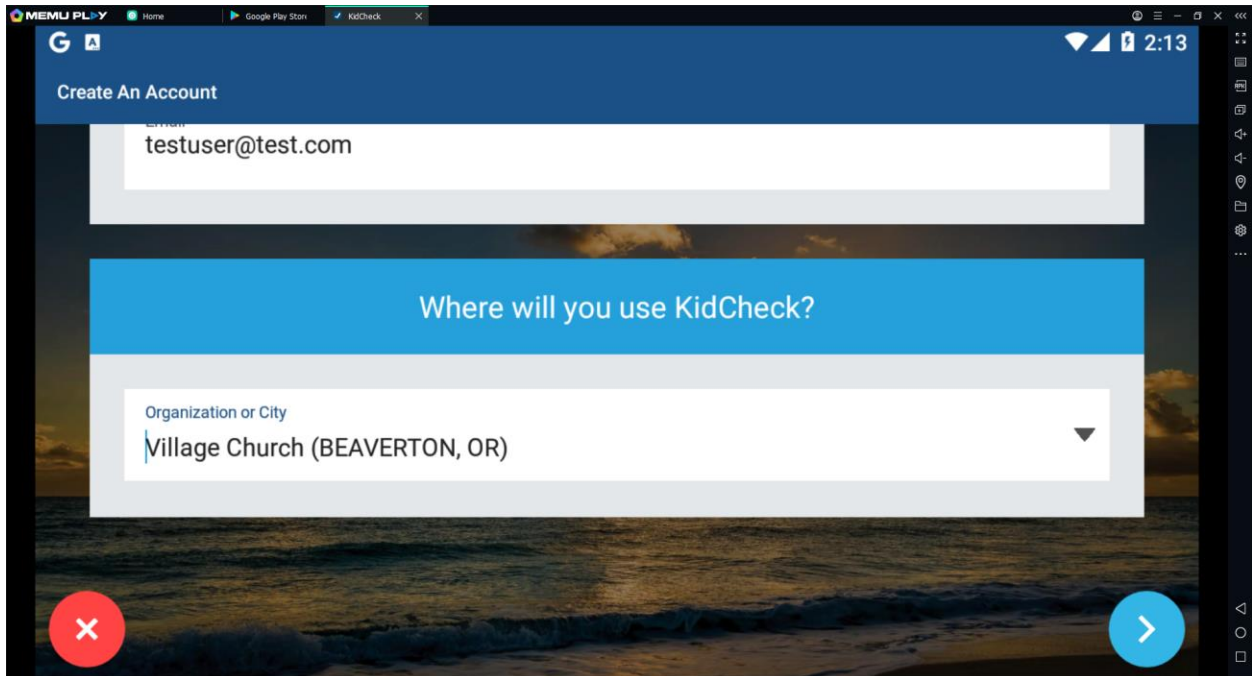

Organization or City
village

Miami Village Community Center (Columbia City, IN)

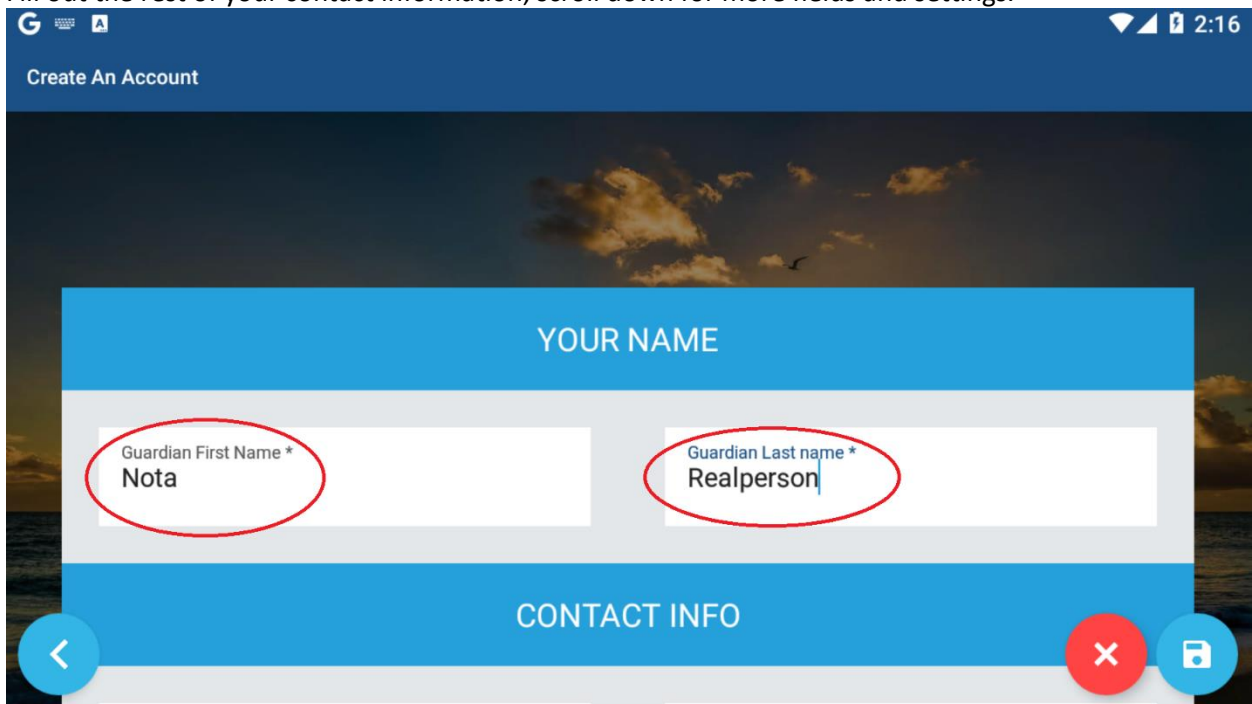

The Village Christian Church (Minooka, IL)

Village Church (BEAVERTON, OR)

Tap on the blue ">" icon to move to the next screen

Fill out the rest of your contact information, scroll down for more fields and settings.

It is highly recommended that you opt in to receive Emergency Text Message Alerts.

DO NOT CHECK REQUIRE A SECURITY PIN AT CHECK-IN unless you are sure that you will remember the PIN. We cannot check-in your child or assist you in checking in your child without that PIN.

Do choose a password you can remember to access your account.

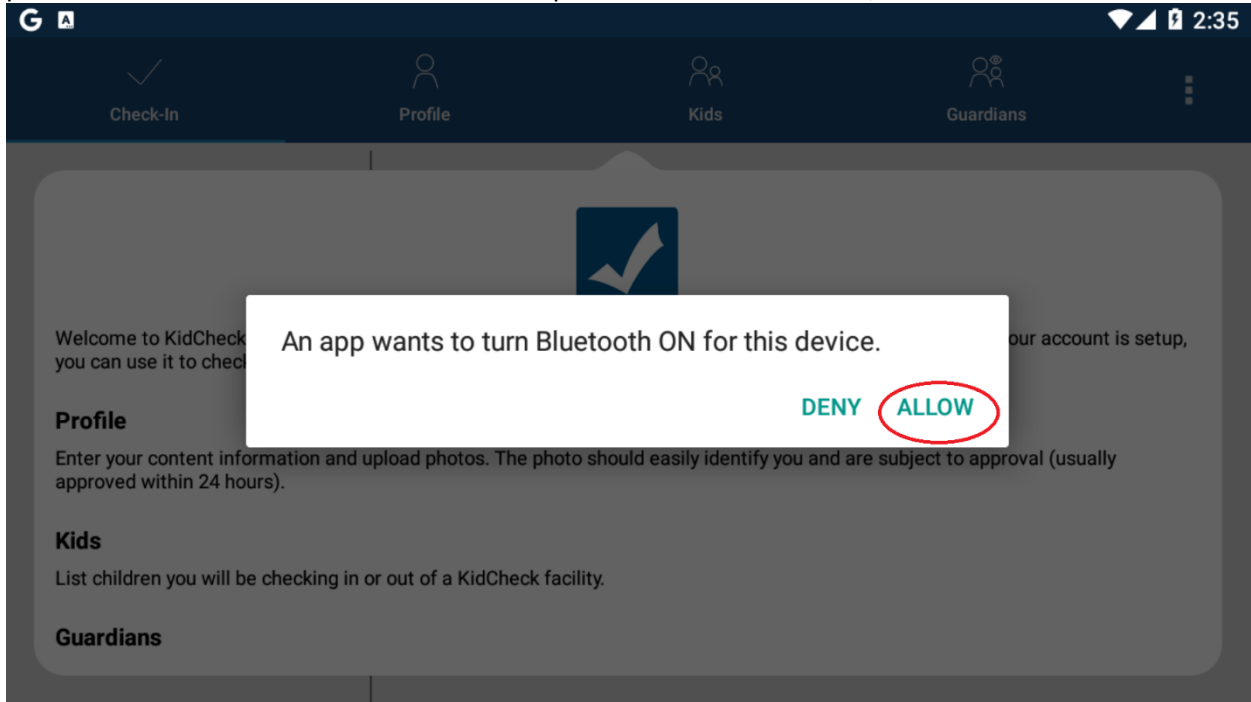

The screenshot shows the 'Create An Account' screen. At the top, there is a blue header with 'Create An Account'. Below it, there is a toggle for 'Receive Emergency Text Message Alerts' which is turned on. Underneath, there is a 'Carrier' dropdown menu set to 'Verizon'. Below that, there is a toggle for 'Require a Security PIN at Check-In' which is turned off, indicated by a red 'X' icon. A message states 'Password must be between 6 and 16 characters long.' Below this, there is a 'Username *' field containing 'testuser@test.com'. At the bottom, there is a 'Password *' field with a red 'X' icon next to it, indicating an error. There are navigation icons at the bottom: a blue back arrow, a red 'X' icon, and a blue disk icon.

Scroll down some more and check the box and click on the blue disk icon to save.

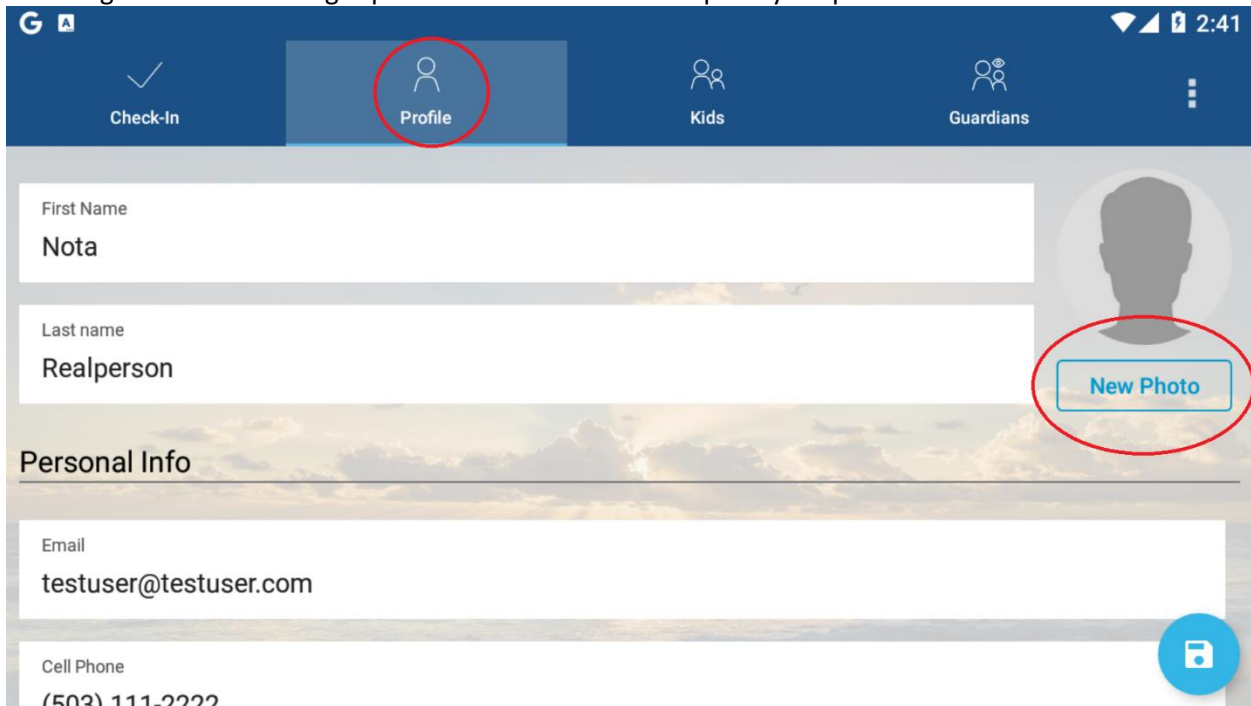

The screenshot shows the 'Create An Account' screen. The 'Password *' and 'Confirm Password *' fields are visible. Below these fields, there is a checkbox for 'I agree to the KidCheck terms of service' which is currently unchecked. A button labeled 'View Terms of Service' is located below the checkbox. At the bottom, there are navigation icons: a blue back arrow, a red 'X' icon, and a blue disk icon.

The app will request that you turn on Bluetooth. This allows mobile check-in when you are close enough to the check-in point. This avoids lines and allows your child to move directly into the space and get their check-in sticker. The first time check-in is still manual, though.

Allow if you would like the idea of checking in your child by app. Otherwise, your child can present the phone number and one of the staff can look up the account to check her/him in.

Tap on the Profile tab and then the 'New Photo' button. We need your picture to ensure we're releasing the child to the right person. Scroll down to complete your profile.

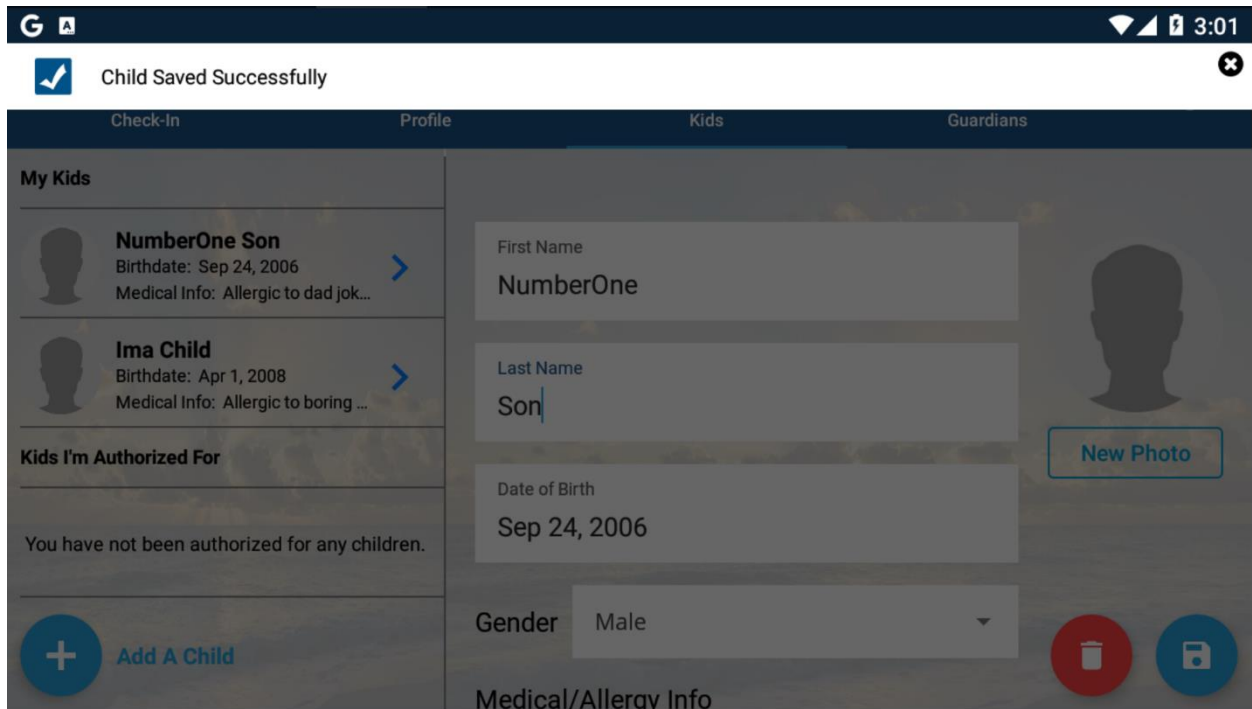

When you're done, click the blue disk icon to save.

A screenshot of a mobile application interface. At the top, there is a dark blue navigation bar with four icons: a checkmark, a person, two people, and a group of three people. Below the navigation bar, the text "Beaverton" is displayed. Below that, there are three input fields: "State/Province" with "Oregon" entered, "Postal Code" with "97005" entered, and "Country" with "United States" entered. In the bottom right corner, there is a blue circular icon with a white disk symbol, which is circled in red.

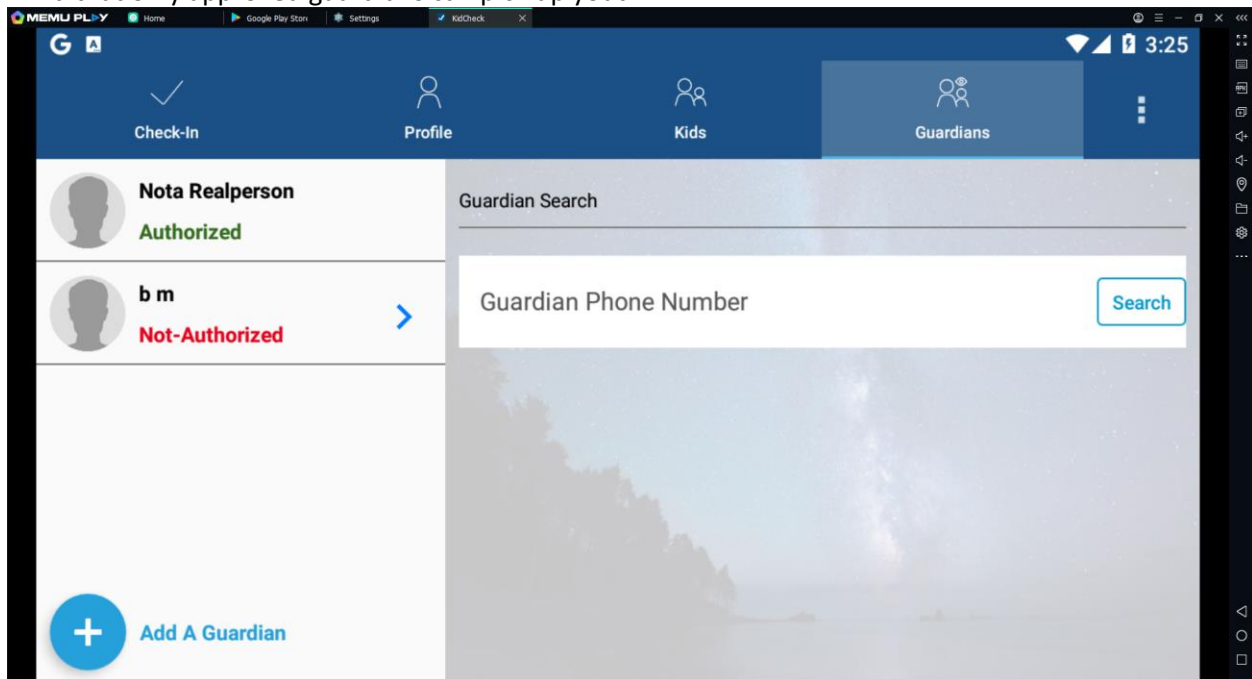

Tap on Kids, fill out your child's information and click the blue disk icon to save.

A screenshot of a mobile application interface showing a form for adding a child. The navigation bar at the top has four icons: a checkmark, a person, two people, and a group of three people. The "Kids" icon is circled in red. Below the navigation bar, there is a section titled "My Kids" with the text "No children have been added. Add a Child." Below that, there is a section titled "Kids I'm Authorized For" with the text "You have not been authorized for any children." Below that, there is a form with the following fields: "First Name *" with "Ima" entered, "Last Name *" with "Child" entered, "Date of Birth *" with "Apr 1, 2008" entered, and "Gender *" with "Male" selected. A blue circular icon with a white plus sign and the text "Add A Child" is in the bottom left corner. In the bottom right corner, there is a blue circular icon with a white disk symbol, which is circled in red.

Simply continue filling out information for each child. Do include photos of just your child's face so we can easily identify them.

You can also add additional Guardians that may or may not be authorized to pick your child up. Keep in mind that only approved guardians can pick up youth.

You're done! Please don't hesitate to reach out to the Village Staff for assistance. We will also have additional staff members at the initial meeting to help get over any initial speed bumps.
