Calling All Villagers! Church Wide Database Update

Please **take this 30 seconds survey** stating if you still call Village home! You have all summer to let us know if you attend Village and in the fall we hope to create a church wide directory.

VBS Registration Open Now!

Registration is live NOW to join us for the Very Best Summer! We're eager to spend time with your Kindergarten-5th Grade kids, so please sign up your kids and neighbors today. Chilcare provided for preschool aged children of volunteers. Hurry, space is limited!

VBS Volunteers Needed

VBS is just THREE weeks away and everyone at Village can help VBS (Very Best Summer) 2021 be a great success. Please participate in one of three ways:

1. Volunteer – We're thrilled to announce that we have Team Leads for each of our VBS segments, yet we need a whole bunch of additional leaders to help love on and lead the children. We guarantee fun, laughter, and the presence of Jesus. Sign up today to be a Group Leader, participate in games, crafts, missions, or meals. All are welcome! **Sign up to volunteer here.**
2. Pray – Please pray for the incredible children that God is preparing to spend time with us learning and growing together. Please pray for the volunteers who will be instrumental in modeling the love and light of Jesus to our kids and one another. Pray for our program to be a safe, welcoming, and meaningful experience where kids can meet Jesus and/or grow deeper in relationship with Him.
3. Donate – **Thank you for your support** with VBS materials, curriculum, meals, and fun! Because of your generosity, VBS will serve over 100 kids in our Village family and community this year.

A Beautiful Direction

Village has been blessed with a rich worship history of glorifying God through music and the arts. Throughout our history our worship leaders have pastored us in many different roles. Back in the 70's when Village was primarily in the

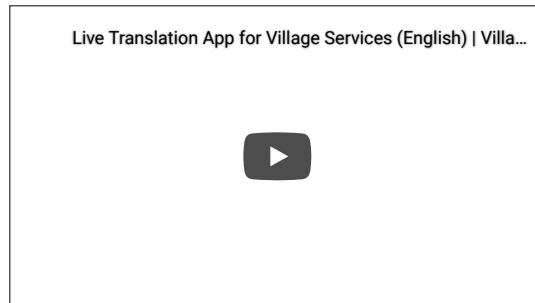

Chapel building, we had a pastor who directed our choir as well as orchestra. We have had worship pastors create special spiritual events and we have also experienced spiritual practices through theater, visual art and spoken word.

As we continue to move forward all together, our many different worship and spiritual traditions coming together when we gather, Village will look towards hiring a **Director of Creative Arts and Worship**, who will pastor us as an integrated worshipping body. This artistic person will work in partnership with our worship service team, as well as lead a team of worship music leaders who would lead our services in the many musical worship traditions we are blessed with in our community.

We specifically are searching for an artist, as art can unite and speak across all cultures. We also want to inspire our community—both in and beyond Village—with art that inspires hearts to God. Please pray with us as we seek this next important addition to our pastoral team. **Job details here.**

Village's Translation App – AudioFetch

Please take a moment to set up AudioFetch on your Android or Apple device by following this short instructional video below. We'd like all Villagers to have AudioFetch ready so you can enjoy our service elements in your preferred languages. *Please note: To connect to the Translation WiFi you will need to be in the Worship Center.

Free Wood

We're giving away some cedar, fir, and other wood we've cut down on our property. It's available until August 1 to be hauled away between 8am-4pm on Monday-Thursday from the back of our property. We'd prefer if you split/cut it after you get it home instead of on site. If interested, please call or email before coming: paulk@villagebeaverton.com or 503-643-6511.
