Village Kids Director: JoAnna Flynn

It is with sadness, but also praise to God, that we announce that Village Kids Director JoAnna Flynn is moving out of state and thus ending her time serving our community. JoAnna has loved and pastored our church so well these past

three years, and we are so grateful for how God has made her and all of the experiences and skills she brought us. She and her husband Tom are pursuing God's will for their family with a new direction in California, and we pray for continued blessing and provision over them. JoAnna's last day at Village will be August 8, 2021. We are working to ensure leadership is in place for Village Kids ministry and will update our community as we have more information. If you have any further questions, please feel free to email **Insil Kang**.
