STAY IN THE KNOW AS YOU GO ABOUT YOUR WEEK

ANNOUNCEMENTS

RESPONSIVE WORSHIP

Fall Kick Off!

We are planning for September 12 as a celebration Sunday for Village — we're kicking off a new season of ministry, officially beginning our fully integrated Sunday services with all adult Villagers worshipping in one space, and relaunching kids and youth ministries in new spaces! We'll keep the celebration going after service with an all church lunch. Lunch will be served outside—in the open air—north parking lot (upper parking lot off the main sanctuary building doors), so stay after service for food and fellowship. Want to serve? Want to make sure everyone has a great time? **Email Insil Kang.**

Don't Miss Out!

We are nearing the end of our all church survey. If you have not already, please answer this 30 second response to let us know if you call Village home! We hope to create a church wide directory with this information. Thank you for your participation! **Take the Survey Now**

Seniors Ministry Director

We are so excited to announce that Jim Clementson is now our Village Seniors Ministry Director. Jim has been working with Nancy Anderson in Pastoral Care ministry for the past 8 months and has a heart for our Village seniors. He has been supporting different ministry needs of our seniors through pastoral care and is excited to see how the ministry will continue to expand. Jim is finishing his MA in Biblical and Theological Studies at Western Seminary and you might recognize him as one of our worship band drummers. Welcome (again!) Jim! **Email Jim**

Hiring: Village Kids Director

We are hiring! Village is looking for a new team member who loves supporting the body of Christ with children and their families, desires a missional, multicultural vision of church, and is excited to collaborate with a supportive and fun team. Please find the job description for our Kids Ministry Director here. Send questions or your cover letter and resume: **Insil Kang.** Villagers, please pray for our next ministry leader and share the opportunity with your networks!

Upcoming Baptism Class

On September 5 we'll begin a four week Baptism course via Zoom, from 12-1pm. If you are interested in being baptized, or have any questions regarding baptism, we would encourage you to take part in this course. **Email Pastor Tony for more information.**

Village Families: Preregister for Awana

We are blessed to be able to offer Awana in-person starting this September! Because of our resources and for safety in the midst of COVID, we are only able to offer Awana to currently attending Village families. Please claim your spot and **preregister here by September 12**. Invoices will be sent the following week. If spaces fill, you will be added to a waiting list and informed if/when space opens up. Thank you for remaining flexible during this season of change! We will communicate any change to programming if COVID precautions tighten.

Questions?

Housing Needed for MK Grad Student

Temporary housing is needed for 3 months for a female graduate student coming to Oregon to complete her practicum in ministry to refugees. Her parents are missionaries in a restricted access country. If you have housing or know of possibilities, contact **vbcm@villagebeaverton.com**.

Video Message from HOME

Thank you for your support for the Lebanon Team and our Lebanese Ministry Partners this summer. Watch this clip from HOME highlighting our medical team **here**.

Bless Our Newest Community Members

We have refugee families who are coming to Village without many needed items to settle into their new homes.

We have two Venezuelan families in need of beds and chairs. Please contact Pastor Mauricio.
