### All-Church Fall Kick Off Lunch!

TODAY, Sunday September 12, is a celebration Sunday for Village! We're kicking off a new season of ministry, officially beginning our fully integrated Sunday services with all adult Villagers worshipping in one space, and relaunching kids and youth ministries in new spaces! We'll keep the celebration going after service with an all church lunch. Lunch will be served outside—in the open air—north parking lot (upper parking lot off the main sanctuary building doors), so stay after service for food and fellowship. Want to serve? Want to make sure everyone has a great time? **Email Insil Kang.**

### Last Day – Don't Miss Out!

We are nearing the end of our all church survey. If you have not already, please answer this 30 second response to let us know if you call Village home! We hope to create a church wide directory with this information. Thank you for your participation! **Take the Survey Now**

## Hikes and Rambles

*Saturday September 25, 2021, 9:00am*

Come join us for a time of fellowship, relationship building, and a bit of exercise at Cooper Mountain Nature Park. The park overlooks the Chehalem Mountains and Tualatin Valley and is a hilltop sanctuary in a rapidly growing residential area of Beaverton. There are 3.5 miles of trails on 232 acres, passing through forests, prairies and oak woodlands. **More Information and RSVP**

## Volunteer: Blood Drives

We're looking for Villagers who are willing to occasionally volunteer for a shift at the monthly Red Cross blood drives hosted at Village. Ideally, this would be a once a quarter commitment, or more if preferred. Drives are usually held on the second Thursday of the month with 2 shifts available: 12:30pm-4pm and 4pm- 7pm. As a volunteer, you'll be greeting and checking in donors. It's easy and training is included – we just need you! Anyone 16 and older can volunteer! It's a great way to show the love of Jesus to the community by being warm and welcoming. **Questions?**

## Village Kids Ministry Partner Opportunities

**Children's Buddies:** We have a few families requesting childcare for their children who need extra attention so their parents can attend worship services. These elementary age children are not medically fragile but do need extra care. At times they may be able to participate parallel to the children's program but will most likely need to have their own space. If you have a background in special education or are willing to be trained to provide for this ministry, please contact Ruth Jordan.

**Volunteer Admin:** Are you a friendly organizer? We could use your help Sunday mornings in Village Kids. We are looking for people to help welcome elementary age children, direct them to a small group in the gym, and confirm their arrival through our KidCheck App on an iPad. It's an easy way to serve that provides a valuable service for our Sunday ministry to children. This position serves from 9:45-10:15am and then return just before service ends to help check children out to their parents by collecting name and security tags.

**Small Group Leader:** Join us in the gym on Sunday mornings for an active, fast paced ministry to children! We're looking for two volunteers to lead small groups of 5-6 children in learning activities. Opportunities for weekly or bimonthly volunteers. This position serves from 9:15am until about 30 minutes after the end of worship service.
