Fall 2021 Classes

In today's service, we heard about the many opportunities coming up this fall to learn and grow together. **See more details on classes, studies, workshops, and seminars here.**

All-Church Fall Kick Off Lunch!

Next week, Sunday September 12, is a celebration Sunday for Village! We're kicking off a new season of ministry, officially beginning our fully integrated Sunday services with all adult Villagers worshipping in one space, and relaunching kids and youth ministries in new spaces! We'll keep the celebration going after service with an all church lunch. Lunch will be served outside—in the open air—north parking lot (upper parking lot off the main sanctuary building doors), so stay after service for food and fellowship. Want to serve? Want to make sure everyone has a great time? **Email Insil Kang.**

Don't Miss Out!

We are nearing the end of our all church survey. If you have not already, please answer this 30 second response to let us know if you call Village home! We hope to create a church wide directory with this information. Thank you for your participation! **Take the Survey Now**

Village Families: Register for Awana

We are blessed to be able to offer Awana in-person starting this September! Because of our resources and for safety in the midst of COVID, we are only able to offer Awana to currently attending Village families. Please claim your spot and **preregister here by September 12.** Invoices will be sent the following week. If spaces fill, you will be added to a waiting list and informed if/when space opens up. Thank you for remaining flexible during this season of change! We will communicate any change to programming if COVID precautions tighten. **Questions?**
