Community in Christ: Nametags

As we engage in covenantal relationship with each other, we desire to be a community where everyone is known by name. Today, and for the remaining Sundays in January, you can order a personalized name tag either at the table in the lobby or **by clicking here** (login to Fellowship One required). If you wish to contribute to the cost, the suggested donation is \$5 per name tag.

COVID Update

Thanks for your continued support of our efforts to balance individual freedom and actions to protect vulnerable neighbors. We continue to require wearing masks at all indoor activities on our campus. This month, we request that people wear masks even for smaller church events in private homes and suggest you consider online options. We'll increase the seating distance in Sunday services and keep an overflow room for those who need even more distance to feel safe. Before coming to any church event, please ensure that you and your household do not have any COVID symptoms and, if needed, learn **how to isolate or quarantine**. Our COVID Task Force, which includes health care and emergency management professionals who attend Village, continue to monitor the situation and prepare other possible actions. Together, we can keep Village healthy! **More Info**
