Staff Recognition

We have the honor of recognizing Sheri Moxley, Administrative Specialist, who has served at Village for fifteen years. We thank her for her faithful service and dedication to Village!

COVID Update

Starting on March 12, in alignment with the recommendation of health authorities, **masks will be optional** for meetings on our campus. The Columbia Rooms are dedicated as a Masked Worship service space on Sunday mornings until at least mid-April. And of course, we will continue the online service broadcast. We invite each individual to make the best choices for themselves and welcome everyone to continue to wear masks at your comfort level anywhere on our campus. As we have for the past two years, our ventilation system is programmed to maximize fresh air circulation in the sanctuary.

As always, individual ministries may implement additional COVID precautions based on the needs and risk to their participants.

We continue to encourage people to **get vaccinated** if their medical condition allows and in cooperation with the primary health care provider. If you have questions about where to get vaccinated, please contact **Pastor John Jordan**. If you have concerns about the vaccine, please contact **Dr. Dan Crawford**. Both can explore ways to support you during this transition as we come out of COVID restrictions.

Pick Up Your Name Tags TODAY

Our Name Tags have arrived! If you put in your order prior to January 31, your name tags are available for you to pick up in the sanctuary lobby today, before and after service. If you missed ordering in the first round, we'll take new orders today in the lobby or **online** through March 15. Email **Fay** if you have any questions.

Calling all Village Creators!

Are you a potter, sewer, soap maker, crocheter, knitter, candlestick maker, or artist and looking for a way to serve our community with your creative skills? We would love to partner with you in order to serve our Newcomers by making them feel loved and welcome here at Village. If you are interested in volunteering your time and talents to create gifts for our Newcomer welcome bags, **please email us**.

Calling all Musicians!

Village, we are blessed with so much talent in our community. As we continue to worship and serve together, we're calling all musicians and singers to join us! Tell us who you are and how God has gifted you. Maybe you have shared your musical gift with Village before, maybe you have not yet, or maybe you are new! Let's see what joyful noise we can make together! **Get Involved**
