Council & Nominating Committee Member Vote – TODAY

What an exciting season to see what God is doing in our community! Following the approval of our Bylaws update last month, it is our joy to present new additions to the Village Council. Today during our worship service, we'll vote on our new Nominating Committee (Villagers responsible for identifying future Council candidates) and the new Village Council candidates. For those who are unable to make it in person that Sunday, ballots will be available at the Front Office and lobby until next Wednesday. Click here to learn more about them: **New Village Council Members** and **New Nominating Committee**

We Can Use Your Hands (& Your Heart!)

Are you able to run over to one of our seniors' homes in a day or two to help them rehang fallen blinds? Fix a bathroom shower rod that refuses to stay in place? Check a battery in a smoke alarm? Or other minor chores or assessments? Sometimes people just need assurance that their household or yard maintenance need is truly suitable for a professional handyman or something we volunteers can do from the church.

Let us know your area of skill! When a request for help comes to our attention, we'll send an email to the whole team and whoever can do "the job" may respond. We just ask that we go out in pairs – can be two guys, two gals, or a married couple.

Please respond TODAY! We'd like to have a large team of resource people for our Village seniors!
