## Micah 4:3-4

We grieve for the ceaseless tragedies in the world – this week, in Texas. We are again horrified and angry, grieve, wail, lament, and pray for the victims and survivors. What would Jesus do in moments like this? What can we learn from those who have gone before us?

Lord, have mercy on us. - From Pastor Paul Choi

## Responsive Worship

Worship is often described as 'response to the Word.' Our worship response is both personal and corporate—communal.

Take a moment to share your response from the Sunday sermon; thoughts of reflection addressed to God, a prayer inspired by the teaching. Please engage in this act of worship, in response to His Word.

We share your reflections anonymously in our following week's service, to encourage our community to grow together in Responsive Worship.

## Conversation Guide

As part of our ongoing growth in our relationship with our Lord, we offer discussion questions for our DNA groups. Our hope is these questions spark conversations and deeper relationships.
