October 15 – November 20

It's Missions Celebration! [Click here](#) to hear from Lead Pastor Paul Choi, and [click here](#) to see all the upcoming events and guest speakers.

Welcome Newcomers!

We are so glad you joined us and we can't wait to meet you! You're invited to join us for our Newcomer's Lunch TODAY in the Columbia Rooms (across the lobby from the Sanctuary.) We'll enjoy delicious food, get to know each other, and tell you more about our missional, multicultural community. Please visit the info counter to say hello and pick up your welcome gift. Connect Cards are a great method to introduce yourself or ask for more info on any of our ministries. They are located in the back of our Sanctuary seats.

Singing Ensemble

We've enjoyed being led in worship by our singing ensemble on Sunday mornings. Do you enjoy worshipping the Lord through song? Join our worship band and praise God from the stage! Email [Pastor Monica](#) for more information about upcoming opportunities on November 13 & 20.

Beaverton Symphony

We welcome back Beaverton Symphony Orchestra to kick off their 2022-2023 season on our campus Sunday, November 6, 3pm. [Visit their website](#) for the music line up and ticketing information.

Young Adult Lunch

November 6 | Columbia Rooms

Village Young Adults! Join us for another lunch after service. Come and eat as we have an informal time of gathering as Villagers and get to know someone new. [RSVP to Insil Kang](#).

Use Your Vacation Home for Ministry!

Each year we have small leadership teams from various ministries that need off-campus locations for 2-3 day retreats. If you have a vacation home, would you be willing to let 5-12 Village leaders use it just once in 2023 for free? Your second home could be a huge blessing as they do ministry planning or focus on spiritual renewal. If you'd be willing to contribute and support our ministries in this way, please contact [Ben Spotts, Executive Director](#).

Creation Care at Village

As we shared last week, we're not only talking about stewardship of God's creation but taking action as well. We took the first steps to hopefully install solar panels so some of our electricity will come from a renewable source,

We expanded our recycling stations and will continue to purchase cleaning products that are environmentally friendly. We're reducing single use plastic use and installing water bottle refilling stations, purchasing biodegradable utensils/plates, and more. We encourage off campus DNA Groups to also consider how to use less single use plastics!

Portland Rescue Mission

We are removing the Portland Rescue Mission (PRM) donation bin from our lower lobby. We are looking forward to serving PRM and other local organizations in more tangible ways in the near future. You are of course still welcome to donate to PRM by dropping off at their location, but we are no longer processing these donations on our campus.

Hiring – Nursery Team

Join our Sunday Nursery staff! We are hiring 6-8 paid positions to complete our nursery team. We have babies that need to be held, toddlers that need loving, and 3 year olds ready for fellowship with you! Prayerfully consider this ministry opportunity of just a few hours a month and apply by emailing Ruth Jones.

Conversation Guide

As part of our ongoing growth in our relationship with our Lord, we offer discussion questions for our DNA groups. Our hope is these questions spark conversations and deeper relationships.
