## Newcomers Lunch

*TODAY, November 27 | Columbia Rooms*

We're blessed to have welcomed so many newcomers to Village. You are warmly invited to lunch after this week's Sunday service in Columbia A (across the lobby from the Sanctuary). Our staff is eager to meet you and tell you more about our church! If you have children, please pick them up first.

## Young Adult Lunch

*December 4 | Columbia Rooms*

Village Young Adults! Join us for another lunch after service. Come and eat as we have an informal time of gathering as Villagers and get to know someone new. [RSVP to Insil Kang.](#)

## Jnoubi: Rising in Hope

Jnoubi ("My South" in Arabic) is a project in the South of Lebanon that provides opportunities for us as young Bedouin and Domari & Kurbati Gypsy women to learn new skills and have different ways to generate an honorable income. The women create beautiful jewelry, and we have the opportunity to support this ministry on Sunday, December 4, before and after services. Purchase a gift from this country where Village has been involved for many years and partner with our Lebanese community in transforming lives. [Questions?](#)

## Use Your Vacation Home for Ministry

Each year we have small leadership teams from various ministries that need off-campus locations for 2-3 day retreats. If you have a vacation home, would you be willing to let 5-12 Village leaders use it just once in 2023 for free? Your second home could be a huge blessing as they do ministry planning or focus on spiritual renewal. If you'd be willing to contribute and support our ministries in this way, please contact [Ben Spotts, Executive Director](#).

## Donate Toward Staff Love Gift

As you heard last Sunday from Ron Henricksen, Village Personnel Commission chair, we have an opportunity to show tangible appreciation of the ministry by all of our staff over the last year. Please give through [Pushpay](#) by December 11. Select "Staff Love Gift" from the dropdown menu or write a check to Village Church.

## Name Tags are Here!

Thank you for your patience. If you ordered name tags in September, they have arrived, and available for pick up in the lobby this and next Sunday. [Questions?](#)

## Keep Village Healthy

As cold & flu season approaches, there will likely be an increase in COVID-19 cases. Please care for others in our community by staying home if you feel ill. We recommend staying home if you've had a fever over 100.4 F in the last 24 hours or are having any "cold-like" symptoms. Masks are welcome on our campus but not required. If you are experiencing a fever or cold-like symptoms, we welcome you to join us online for the [Sunday Service live stream](#).

## Conversation Guide

As part of our ongoing growth in our relationship with our Lord, we offer discussion questions for our DNA groups. Our hope is these questions spark conversations and deeper relationships.
